

WELCOME & INFORMATION BOOKLET

ST PETER'S PARISH GLENBURN PAISLEY

WELCOME

Welcome to St Peter's Church, Glenburn, Paisley.

As Parish Priest of St Peter's, I warmly welcome you to this community of faith and worship. This parish church has been offering spiritual support to people of the area for many decades.

As you all know the Church is a 'House of God.' It is the people, who form the parish community. So, we need you and your families to be an integral part of this parish coming together to participate in the liturgical celebrations and other activities.

The love of God and the love of neighbour is fully realized when you as community worship God in unity.

I hope when you come together to worship God in this Church you will have the grace to meet, talk and experience God personally and your faith strengthened by the great support of the community.

It is here in this parish you find a small but vibrant community of believers who are united in love, faith and prayer and trying to reach out to and connect with people with respect and care.

A parish is fully alive when all its members involve and participate in the activities of the parish and make sacrifices to contribute greatly to its growth through prayer and evangelization.

The feeling of community spirit will add a special impetus to its life.

This welcome booklet provides a taste of the life of St. Peter's parish.

There are many ways you can become involved. As it is your parish church please feel free to come forward with your visions and ideas and above all your willingness to extend your help to make it more appealing to everyone as a worshipping community.

Your help, whether small or big add to the strength of the parish and make the ministries of the parish more meaningful.

Of course, we are trying to organise more programmes in the coming future. So, we look forward to your generosity and involvement. As programmes are organised your valuable cooperation is highly expected and appreciated.

You can get important information about the parish life in the bulletins which can be found in the porches each Sunday; also, the parish website and Facebook page. You can get your e-bulletin if you sign in the website.

St Peter's parish is blessed with St Peter's Primary School opened in 1956.

The parish in collaboration with the school is trying to teach our young children the values of our Catholic faith and encouraging the parents as first teachers of faith to come with their children to the church for their sacramental life.

May we continue to express that faith in our homes, schools and parish. I am very much hopeful that you will feel at home in the parish and come to love it as much as I do. If I can be of help to you in any way, please do not hesitate to contact me.

St Peter's parish campus houses the SPRED (Special Religious Education) - Faith Development for People with Special Needs. SPRED has various activities throughout the week except during holidays.

With Blessings,
Rev. Thomas John
